

Huacachina

P A C K I N G L I S T

Heading to the watering hole? The Huacachina Oasis is a beautiful destination filled with adrenaline filled activities. It is also very important to wear sunscreen and sun glasses throughout the day as the sun rays reflect off the sand dunes and increase the chances of getting sunburn. We recommend bringing beach wear for the day (tanks, shorts, sandals). Please keep in mind, much like any other desert, temperatures at night tend to drop. We recommend switching your clothing to a light sweater and possible pants, especially if you're doing the sunset sand buggy tour. It can get a bit chilly!
