

Rainbow Mountain

P A C K I N G L I S T

You're heading to one of Cusco's most treasured gems! Now how do you pack? The weather at Rainbow Mountain can be very unpredictable. We recommend you dress in layers. For example: base layer, tee shirt, jacket/or sweater and base layer cotton bottoms and trekking pants over. In your day pack, we recommend bringing a poncho, scarf, and gloves in case of rain. The weather can be sunny, windy, rainy, and can even start to hail all within a few minutes so it's best to come prepared dressed in layers. If it gets hot you can take off a few layers and if it gets cold you can add on a few layers.
